---

---

---

---

---

---

---

---

**Program Goals**

“Free access programming and special events will be provided to participants on both ends of the Canadian Sport for Life – Long Term Athlete Development Model”

“Improved Community Access”

“Sustainability Change”

---

---

---

---

---

---

---

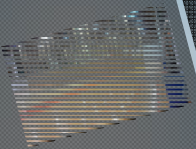

---

44 The CBU Recreational Program is an Active for Life opportunity for students at CBU that do not currently have access to university facilities and parts of the Cape Breton Health Recreation Complex.

44 Recreational Sport Opportunities will be structured to attract international students and new immigrants to Canada.

44 Additional targets will be women and off campus students with limited access to facilities in their communities.

44 This will be an inclusive program with the goal of integrating a variety of students with cultural and economic diversity.
