

## CPO® COURSE INSTRUCTOR

The instructor for the CPO® Course will be Robert Hickey.

Robert has 25 years in the swimming pool industry and maintains current CPO® (Certified Pool Operator) status, as well as training other CPOs as an NSPF (National Swimming Pool Foundation) Instructor. He has factory training from Engineered Treatment Systems (UV installation, Service and Repair), Sta-Rite (Hydraulic Design), and SR Smith (Aquatic Accessibility and ADA Compliance).

Robert also makes himself available anytime outside of office hours, can be contacted when “on the road”, is not afraid to “get in and get dirty” on service calls, and absolutely loves sharing his knowledge - while still being open to the opinion of others.
