

RFANS is proud to be working in partnership with the Nova Scotia Department of Communities, Culture and Heritage to present the CSA Hockey Helmet Program to the young skaters of Nova Scotia. With participation from our province's arena personnel, we hope to make the CSA Hockey Helmet program hugely successful.

*Supporting you - from the ground up*

RFANS and the Department of Communities, Culture and Heritage will from time to time follow-up with those who participate in the Helmet Program. Information such as frequency of use and increased participation will help to determine whether the program has been successful and should be continued or expanded. Your assistance with this data collection is greatly appreciated.

Thank you to **Cleve's Source for Sports** for providing all of the helmets for the CSA Hockey Helmet Program.

## The Need

In Nova Scotia, many recreation facilities have now made wearing CSA hockey helmets mandatory for all who participate in public and school sponsored skates. These policies impact participation as not everyone has the proper safety equipment to meet these policies.

The Hockey Helmet Program will ensure that arenas can provide the proper headgear they need to take part in school sponsored skates and public skates, helping everyone stay active and safe.

## CSA Hockey Helmet Program

Through the Hockey Helmet Program, local arenas can order affordable, CSA approved hockey helmets to provide proper protective gear for public skating and school skates.

Participating groups can purchase CSA hockey helmets for \$10.00 each to a maximum of 20 helmets. Helmets are also available with face shields at a cost of \$24.00 per unit. There are a limited number of helmets available.
