

THE WILLIAM METCALFE AWARD

This award acknowledges an individual, group or organization who has made a significant contribution in the field of recreation facility operation, management or design.

Areas of contribution can include, but are not limited to facility design, invention or development of equipment or accessories, outstanding volunteer effort, or a significant contribution in the area of research.

Nominations are not restricted to members of the Alberta Association of Recreation Facility Personnel (AARFP). The recipient receives a plaque, a one-year membership and expenses to the annual awards banquet.

Nominations should include individual's background, resume and past history of projects and contribution to the recreation facility industry and references.

Submit by March 15th, 2019 to:
