

# Sports Turf Management & Maintenance Courses & Sports Field Training Day

902-425-5450 ext. 330  
902-870-7634 (mobile) rfans@sportnovascotia.ca

## Overview of Both Courses and Sports Field Training Day

These Sports Turf Canada Courses are designed to introduce the latest principles and techniques of managing and maintaining natural and synthetic turf, advancing the knowledge and education of those who manage and maintain these surfaces or those who wish to develop the knowledge and skills in this field.

Join others in the industry during the Sports Day Field Training to learn more about sports field challenges, transformations, successes and best practices for the industry. You will have the opportunity to network, learn, and see what's new from industry experts, vendors, and exhibitors.

## Course Topics:

### Natural Sport Turf

- Turf species
- Soils as a growth medium
- Cultural practices
- Water management

- Overview and identification of weeds, insects, and diseases
- Integrated pest management
- Renovations and restoration
- Sports field construction

Examination and Attendance  
*Registrants are required to attend all classes to write the exam and must achieve a minimum passing grade of 60% to be awarded a Certificate of Successful Completion.*

### Synthetic Sport Turf

- What is synthetic turf and its history
- Field design and identification
- Installation and drainage
- Field safety
- Understanding infill
- Overview of equipment
- Troubleshooting common problems

### Course Instructor

Gord Horsman, City of Moncton
