

Automated External Defibrillator (AED) Grant Program

Project Description

Program owners or managing partners of sport and recreation facilities can be eligible to receive up to half of the total cost of the purchase of an AED or replacement batteries or pads for AEDs purchased through the program (taxes included) to a maximum of \$1,500.00.

Requirements

The following requirements must be met to access funds from the AED Grant Program:

- Applications and quotes must be submitted by **February 15** each year to secure funding.
- Proof of purchase of an AED must be submitted by **March 31** of the year to receive the funding.
- Be a member in good standing with the Recreation Facility Association of Nova Scotia to receive up to half of the cost of the purchase of an AED.

Non-members will receive up to one-third of the cost.

- Must provide annual training of staff in the use of the equipment, with initial training to take place **within 3 months** of receiving the AED unit.

The goal is to train all staff and require at least one AED-trained staff person to be present during open facility hours.

- The AED must be registered on the EHS AED Registry and made available for public use. www.savelivesns.ca
- Must maintain unit according to manufacturer specifications and document maintenance
